

Present: M. Meyer, Holthaus, Langreck, Bushman, E. Meyer.
Absent: None.

Mayor Covell called the meeting to order at 5:00 p.m.

Mayor Covell said this special meeting was being held to consider a request from Milan Hageman to extend a service line to supply water for a cattle finishing lot.

Milan Hageman explained he would like to build on new cattle finishing lot moving it further north on his property so it would be located out of the city limits. The finishing lot he now owns and operates, which is located within the city limits, would then be completely eliminated.

Following discussion, the Council concluded there was a relevant benefit to the City to get the finishing lot outside the city and told Hageman the City would grant his request for city water under the condition he is responsible for all costs involved and agrees to never have a cattle finishing lot within the city limits again. Hageman agreed to the Council's terms.

The Council held a general discussion on matters pertaining to the new shop/fire station facility and the need to amend the ordinance regarding water service requests outside the City.

Bushman made a motion to adjourn, seconded by E. Meyer, carried. Meeting adjourned at 5:50 p.m.
